## REPORT OF FIRE CHIEF

+ + +

To the citizens of the town of St. Albans:

It is with great pleasure that I submit our annual report. We have made a few more improvements this year. We have added another unit of the citizens band radio in the fire hall. This unit will stay in the fire hall and enable either truck to call back from any point in town. This is primarily for the purpose of those arriving at the fire hall after all trucks are gone, to be able to find out where the fire is. We have also replaced our oldest tank truck with one in much better condition. We now have three trucks with pumps in very good condition.

You might notice in the fire call report, we had one house fire during the year. Perhaps this is a stroke of good luck, or, maybe people are getting more cautious of fire hazards around their buildings. If it is the latter, we hope you will keep up the good work in 1964.

In memory of our Honorary Chief, IRVING PARKMAN, I conclude this report.

Respectfully submitted,

MAURICE SAWYER, Chief

An audit has been completed of the books and records of the Town of St. Albans for the year ended December 31, 1963.

The records maintained by the Town Manager, Tax Collector, and Assessors were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were examined or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly present the financial position of the Town at December 31, 1963, and the result of its operations for the year then ended.

A savings account was maintained in The First National Bank of Pittsfield, Book #908, in which was deposited all cash receipts. Transfers were made from the savings account to the checking account when necessary. At January 8, 1964, this account had been closed.

During the year the savings account earned interest of \$18.85 which was credited to the Debt and Interest account. All cash receipts had been deposited as of the date of the audit, January 11, 1964, and there was no cash on hand.

It was noted that during the year, deposits had been made in accordance with Treasurer's receipts issued. This practice should be continued.

The 1963 tax commitment was accounted for as follows:

|                  |             |        |
|------------------|-------------|--------|
| Cash Collections | \$64,999.56 | 79.4%  |
| Abatements       | 71.00       | .1     |
| Taxes Receivable | 16,828.44   | 20.5   |
|                  | <hr/>       | <hr/>  |
|                  | \$81,899.00 | 100.0% |

At the end of the previous year, 17.2% of the tax commitment was uncollected. Unpaid 1962 taxes assessed against real estate totaling \$5,247.01 were secured by tax liens. A review of the tax liens indicated that all had been recorded and that waivers had been obtained, when partial payments were received. Payments on account of tax liens amounted to \$5,248.12 and matured tax liens of \$241.36 were transferred to tax acquired property. Sales of tax acquired property amounted to \$404.90 on which a profit of \$257.18 was realized. Elmer Ballard paid \$150 of the total selling price of \$200 of the Melvin Wyman land. The balance of \$50 has not yet been paid and the deed has not been prepared. The payment on account has been credited to a Suspense Account pending completion of the transaction.

#### LIABILITIES

During the year, notes payable were reduced by \$3,250 from funds provided by an appropriation from surplus. No new long term notes were issued during the year. Tax anticipation notes of \$40,000 were issued and paid.

At the year end, the accounts payable totaled \$4,457.31 as compared with \$1,777.79 at the end of the previous year.

#### RESERVES AND SURPLUS

The School Building Fund earned dividends of \$190.18 from the investments and totaled \$3,915.50 at the year end. An appropriation of \$500 was made for the War Memorial and the reserve fund of \$1,000 was added to the appropriation and a memorial was constructed. Although the School Building Fund totals \$3,915.50, only \$3,184.61 is invested and the balance of \$730.89 is included in the cash of the General Fund.

Net unexpended balances in certain appropriation accounts which were carried forward to the ensuing year for expenditure totaled \$2,538.25.

The following appropriations were made from Unappropriated Surplus at the last annual Town Meeting:

|                |             |
|----------------|-------------|
| Cemetery Road  | \$ 100.00   |
| Plow and Truck | 3,400.00    |
| Winter Roads   | 8,000.00    |
|                | <hr/>       |
|                | \$11,500.00 |

The unappropriated surplus totaled \$17,652.53 at the year end. This account is analyzed in detail on Exhibit E.

#### TRUST FUNDS

The investments of the trust funds were verified by physical inspection of the securities. Trust funds totaling \$500 were accepted by the Town at the last annual meeting. At December 31, 1962, trust fund monies totaling \$536.22 were included in the cash of the General Fund. During the year, new securities were purchased and the cost exceeded available trust fund monies by 33.30. This excess came from the cash of the General Fund.

#### GENERAL

Excise tax receipts of \$7,055.47 were verified by examination of the copies retained by the Collector. It was voted at the Town Meeting to transfer \$4,000 of excise tax receipts to Summer Roads and \$2,000 to Bubar Road.

A transfer of \$250 was made from Civil Defense to Upper Dam.

It was noted that the Selectmen had authorized a loan of \$35 to a municipal officer for other than Town business. This was not repaid and is included in the Accounts Receivable. There does not appear to be any statutory provision authorizing the expenditure of Town funds for the benefit of an individual.

The following bond was on file in the Town office and was examined:

|  |         |
|--|---------|
| Hartford Accident and Indemnity Co., #3434691C |         |
| Everett Graham - Treasurer and Tax Collector   | \$4,000 |

The overlay of \$1,532.60 was within the statutory limit and was transferred to unappropriated surplus.

#### RECOMMENDATIONS

The following recommendations appear to be worthy of your consideration:

1. That, the balance of the Capital Reserve Fund now in the cash of the General Fund be withdrawn and invested in accordance with statutory requirements.

2. That, the checking account be reconciled with the bank statement at the end of each month.

3. That, a trial balance be taken of the ledger accounts at the end of each month.

# REPORT OF SUPERINTENDENT OF SCHOOLS

+ + +

St. Albans, Maine

January 1, 1964

To the Superintending School Committee and Citizens of St. Albans.

It is a privilege to submit to you an annual report of your public schools.

This year our elementary enrollment decreased somewhat as a result of a smaller entering class. Present indications are that, although this enrollment will fluctuate somewhat during the next few years, it will not increase appreciably.

The School Committee has continued its efforts to make certain basic improvement upon the plant and equipment both physical and as it applied to teaching aids.

The results of our testing program, as well as the curriculum studies, which began recently, will assist us in recognizing those areas of our curriculum which need to be broadened. It will, also, help us to better recognize the area needing more individual assistance.

Our teaching staff changed as a result of the resignation of Mrs. Estelle Mason. Miss Priscilla Dean joined the staff as teacher of Grade 3. We have continued the practice of departmentalizing grades 6-8.

The teacher-pupil grade assignment are as follows:

| Teacher            | Grade | 8  | 7  | 6  | 5  | 4  | 3  | 2  | 1         |
|--------------------|-------|----|----|----|----|----|----|----|-----------|
| Brian Hanson, Prin |       | 19 |    |    |    |    |    |    |           |
| Mary Davis         |       |    | 18 |    |    |    |    |    |           |
| Roland Wortman     |       |    |    | 23 |    |    |    |    |           |
| Elizabeth Ireland  |       |    |    |    | 20 |    |    |    |           |
| Edith Talmadge     |       |    |    |    |    | 16 |    |    |           |
| Priscilla Dean     |       |    |    |    |    |    | 28 |    |           |
| Mary Hatfield      |       |    |    |    |    |    |    | 25 |           |
| Elsie Lawry        |       |    |    |    |    |    |    |    | 18        |
| <b>TOTAL</b>       |       |    |    |    |    |    |    |    | <hr/> 167 |

The assistance from a local charitable organization in procuring glasses for children is, again, appreciated.

Again this year, because of the size of our physical plant, it was not practical to begin the formal education of your youth before age six. It would appear that, within the not too distant future, serious consideration should be given to ways and means of providing the five year old with a formal education program.

In addition to the findings, as a result of the physical examination by the school doctor, we do appreciate your assistance in notifying the faculty of various organic or emotional irregularities of your children. This in turn assists the faculty in helping your children learn to be accepted by their peers.

The appropriation requested by the Superintending School Committee, while it compares favorably with that of last year, does request additional funds. This is all in line with necessary replacement, equipment, and need to maintain a competent staff.

In conclusion, I wish to state that the staff at the St. Albans Consolidated School exemplify the attributes associated with dedicated teachers. May I compliment you on the interest you are taking in your children's education. It has been a pleasure to assist your children, your faculty and you in our endeavor - education.

Respectfully submitted,

LLEWELLYN CHURCHILL

Supt. of Schools
